2. LAND ACKNOWLEDGEMENT

As members of the student movement and recognizing that our generation is responsible for creating equity and sustainability for future generations, we want to take a moment to acknowledge that Brandon University is situated in Treaty 1 and Treaty 2 territories. These traditional territories are the shared lands of the Dakota, Ojibway, Cree, Oji-Cree, Dene, and the Red River Metis Nations. We acknowledge the wrongs of the past, and while we did not personally commit the atrocities, we work to repair relationships and create equity within our everyday lives. As part of the TRC and UNDRIP, we take this time to thank the indigenous peoples' who walked before us and recognize the importance of their history and future on these lands and in our lives.

5. NEW BUSINESS

a. CONSTITUTIONAL AMENDMENTS

Whereas Black people are a historically marginalized group.

Whereas BUSU currently has a space for Indigenous students per the Indigenous collective and representative, and for other people of color per the Racialized collective and representative; out of the BIPOC community, black students currently do not have a separate space and whereas Black students at BU have made requests to BUSU for a black students association, BUSU is proposing a Constitutional amendment to add a Black Students' representative to the Board of Directors.

Whereas BU Bobcat athletes are a separate group of students on campus with peculiar needs, who in recent years have been underrepresented and not adequately advocated for by other systems within BU and, in recent times, the concerns of student athletes have not been properly addressed by the University, BUSU is proposing a Constitutional amendment to add a Student Athlete representative to the BUSU Board of Directors.

Motion 22-AGM-02

Be it resolved that the proposed Constitutional Amendments be ratified and that the BUSU Bylaws and Policies be updated to reflect these amendments.
